

Tim-

James Chelmowski is a frequent requestor/litigant who is "upset" with the FCC and now EPA.  
Example below.

**James Chelmowski v. AT&T Mobility, LLC, No. 16-3539 (7th Cir. 2017)**

In the earlier appeal, we affirmed the district court's order denying James Chelmowski's motion to vacate an arbitration award. Chelmowski initiated arbitration proceedings against AT&T accusing the cell phone carrier of failing to "port," or transfer, his cell phone number when he switched to another carrier.

While Kevin Chmielewski, is a formal EPA political.
